Subject: Case No. 2005-00207  
Proposed Transmission Line, Barren County

Dear Mr. Scott:

This letter is in response to your letter that I received on July 28, in which you asked for information regarding an April 21, 2005 letter to you from East Kentucky Power Cooperative, Inc. ("East Kentucky").

You have requested a local hearing on the matter. The Commission has already scheduled a hearing for 6:00 p.m. on August 30, 2005 in Bowling Green. The exact location has not yet been set, but we will inform you when details are finalized.

You have also asked for a listing of all the landowners who received East Kentucky's April 21, 2005 letter. Because the Commission did not send this letter, we cannot answer your question. You should make this request directly to East Kentucky.

Your letter has been placed in the Commission's official files as a protest. Thank you for your interest in the case.

Sincerely,

  
Robert A. Amato  
Deputy Executive Director
